Thane: Hiranandani Foundation School (HFS) dominated at the inter-school football tournament organized by the Thane Municipal Corporation (TMC) sport office at the Thane police sports complex, Saket, on Saturday. HFS boys made most of it coupled with their vast experience from various levels of competition by winning the double crown. Its under-19 and under-14 boys' teams won the coveted titles.

In the under-19 final, HFS boys were aggressive, but faced stiff resistance from Vasant Vihar School that restricted the former within achievable target. But the lead in the first half was taken by HFS.

Vasant Vihar boys tried hard, but failed to resurrect from the early debacle. In the end, the game ended in favour of HFS with a 1-0 lead over Vasant Vihar school.

The second title of the day for HFS came through its under-14 team that narrowly outperformed St John School 4-3. Both winning teams will represent the Thane at zonal competition.
